

👑Teatime like the queen!👑

On the 12th of January, we had the idea to make a Tea party in the next EC lesson. Therefore, we discussed who would bring what food and drinks. It was a lot of fun to plan that.

The time came and in the sixth lesson of the 19th of January we had a teatime, which was as fantastic as it must be with the queen. There was black tea with milk for the people who have a “crazy” taste and some good plum-vanilla tea and hot chocolate for the others.

The most important thing was of course – the food! Alena had made a very good chocolate – cherry cake, Andrea had brought special muffins and Marielle, Lisa and Yannick bought some biscuits, which were eaten in a very short time. We enjoyed the food very much!

Of course, we were not lazy, so we read the texts, which we had written the lesson before and answered the questions given. It was very funny to hear what the others had written! Moreover, we had a guest – Mrs Ganahl also came to our tea party. As she came, (it was at the end of the lesson) she was very surprised to see that almost the whole cake had already been eaten! XD

Finally we would like to say that it was one of the best lessons in our life and we'll never forget it!

Report of our tea party in English Conversation

by *Elias Vogel*

On Thursday, the 19th of December 2017 we had a tea party in our English Conversation lesson. In the second half of our party, Mrs. Ganahl visited us. We had tea, cookies, cakes and much more. We all think that it was a great lesson and I think that English Conversation is a very important subject and everybody in the 4th class should attend the EC lessons. We ate and drank a lot because it tasted very good. We enjoyed the time and laughed very often.

I think it was a very nice day and I say THANK YOU to my classmates and my EC and Spanish teacher Anette Widmann.

It's teatime, Darling! <3

On January 19th we had a great teatime. After the sports lesson Alena y Andrea prepared our teatime. Everybody had brought something. Tamara brought serviettes and cookies which looked like oreos, Yannick and Marielle bought cookies, Klara brought plates, Alena had made a cherry cake, Andrea's sister had baked blueberry muffins, Mary brought milk and cacao, Mrs Widman brought her kettle, Elias and Kathi brought tea and Lorena bought sugar. That's why we have had a lot of yummy food. We ate muffins, cookies and cake and drank hot chocolate, tea, fruit juice and water. We think that it tasted very good! Especially the blueberry muffins and the cherry cake were good, but the cookies tasted awesome too. Than we played a great game. Every group had written short stories and we had to answered questions. Later we counted the points to find out who had done most of the questions right. When we knew who the winner was, we began to clear up.

We think that it was an instructive, interesting and of course delicious and funny lesson. We hope that we can repeat it soon because it was a really nice (and yummie) hour.

Teatime

In English Conversation we had a tea party on the 19th of January 2017 because we wanted to. We organized it ourselves and everybody brought cookies, cupcakes, cakes or biscuits. To drink we had tea, hot chocolate and juice. It was a very lovely lesson and it was a lot of fun. We would like to do it again but we should not eat so much because we felt very badly afterwards. Anyway, it was the best English Conversation lesson we ever had.
